I, William C. Dusseau, state and declare as follows:

1. I am a resident of the State of Ohio and maintain a permanent address at 317 W. Lima Street, Findlay, Ohio 45840.
2. I work within the state of Ohio at offices located at 28366 Kensington Lane, Perrysburg, Ohio 3551.
3. I am able to access the internet site www.utube.com with my personal home computer located at my permanent address.
4. I am able to access the internet site www.utube.com with a laptop computer at my place of work.

5. The website www.youtube.com includes video clips that are available to download and view on my personal computer and laptop computer.

6. I opened an account at the site www.youtube.com. To obtain the account, YouTube asked for and I provided my email address, a user name and password, the country in which I live, my postal code, my gender and date of birth, and permission for YouTube to send me electronic mail.

7. I received email from YouTube confirming the opening of my account.

8. I have downloaded and viewed various videos that are available at www.youtube.com.

9. I uploaded a short self made video clip to the YouTube website. The video uploading process required me to enter a title, a description, a category, and key search terms, all of which are used to identify and help locate the video using the interactive search tool on the website.

10. I have shared video using the interactive "share" function on www.youtube.com. The share function allows me to enter the email address of people I want to share the video with and then automatically sends an email to those addresses that includes a link to the shared video and links for the recipient to log in or create an account at www.youtube.com.

11. I have clicked on various advertising links that appear on the www.youtube.com website.
